CONGRATULATIONS North Shore Body Corporate Small Body Corporate Management firm of the Year for Qld

Last week in the glitz and glamour of the Palazzo Versace ballroom at the Gold Coast Annual SCA Awards dinner the team of wonderful ladies at North Shore Body Corporate won the prestigious award for Small Body Corporate Management firm of the Year for Qld.

Cathy Pashley and her team of Strata Specialists were chosen from a field of 26 entries across Qld to win this award.

The award recognises Small Management firms (managing under 5000 Lots) who have implemented strategies to promote growth in their business and encourage staff training and leadership. It also recognised how the business provided an ethical and professional arena for their staff to develop their knowledge of the legislation and industry.

In presenting the award the judges commended North Shore Body Corporate on the high level of professionalism they have displayed and encouraged during the past 12 months.

The judges made comment "North Shore Body Corporate have assisted their staff in creating a work life balance through their innovative practises and

procedures. Their focus on the client satisfaction is exceptional."

Macquarie Bank State Manager, Angela Fleming presented the award with the President of SCA Qld Simon Barnard to Cathy Pashley on behalf of her team, who were all present to acknowledge their success.

Cathy was overwhelmed by the receipt of the award and gave credit to her professional, dedicated and valued team. Cathy said "Without such a wonderful group of ladies this award would not be possible. It has taken their hard work over the past years to show the qualities that are deserved of this award."

"This is just the beginning and we are thriving on receiving this award." Cathy said.
